HELP WANTED MALE

WHERE WILL YOU BE AT 65? Eighty-five out of every hundred persons are dependent upon charity after they reach the ago of 65 years!

Because eighty-five out of every hundred people either do not knew or they refuse to recognize the fact that there is one and only one law for success—Ambition, Determination and SPECIAL TRAINING! It is not the purpose of this statement to convert those \$5 to a belief in a law, for that would be hopeless. Nothing can change the law of averages, ich is the same today and ferever. This is written for those other 15 out of the hundred—those men and wemen the KNOW this law for success and who are determined to follow it. For hose 15 will make a success of themselves in life, and the laxity of the 55 will tree them increased opportunity. It is the way with the law of averages.

Accountancy is the highest paid profession: Trained accountants are in 45-mand, as you know, and they now and always will draw large slaries for their expert knowledge.

The International Accountants' Society has trained more executive accountants and C. P. A.'s than has any other school or university, resident or extension. Thousands of ambitious men and women all over the country have been trained by this most sound and efficient course—the most intensive and the most practical in existence. And in Washington we have a 100 per cent record on graduates passing the

Where will You be at 65? If you number yourself among the unfortunate \$5 you have the answer. If you are of the 15, however, you are the one whom we can help on the road to success. Phone, call or write immediately for our free book on "How to Learn Accountancy." Our office is open until 2 p. m.
